Filming and Recording Release Form - Group

I grant the Adoption Council of Canada (ACC) and the OCR Academy permission to film and/or record me while I am at AdoptWalk 2016; Extreme Obstacle Edition. By granting permission, the ACC can further promote adoption and permanency initiatives or other ACC services and provide education regarding adoption and youth in care. This release form includes print materials and website content. I understand that I can direct permissions for specific usages. If person in attendance is under 18, signature of legal guardian should be used.

I certify that I have the authority to grant filming and recording permission.
